### **ALLOTMENT OF TRENCHING GROUND LAND FOR HOUSE SITES**

**Ref: CBR No. 63 dated 30<sup>th</sup> June 2007**

[ 22 ] To consider the letter no. 744/314/L/DE/SC/2007 dated 28/10/2013 regarding the allotment of Trenching ground land at Hasmathpet & Bolaram for house sites to the Secunderabad Cantonment Employees. A total extend of 32.72 acres of land was acquired by Secunderabad Cantonment Board in 1937 the Hasmathpet & Kanagiguda village limits of Rangareddy District for Trenching purpose. The subject land is situated outside Cantonment limits and is not a Defence land. Presently the Cantonment Board is not in a position to utilize the said land for trenching purposes due to restrictive orders of the Pollution Control Board, and severe protest of the General public of the surrounding residential colonies and the Hasmathpet village. There is a great threat of encroachments by the land grabbers and the Cantonment staff is physically safe guarding the land. In past, several attempts by land grabbers to take over the position of the land the same was strongly resisted by the staff and Employees Union of the Cantonment Board. Several criminal cases were registered against the staff of the Cantonment Board.

The land grabbing elements are working very vigorously to grab the land belongs to Cantonment Board as the land rates in Hyderabad have been touched the peaks. As a part of it several Court cases claiming the land with fabricated documents area creating disputes in one or the other way. It could have been impossible to protect the land without the full commitment of the Staff of the Cantonment Board. The Cantonment Board Employees Union is constantly persuading a demand for allotment of the land as house sites to the Cantonment Employees Cooperating Housing Society which was registered vide **TAB No. 69/75 dated 25-02-1975** before the Deputy Registrar of Co operative Housing Societies, Hyderabad District. The issue was also taken before the Members of Parliament, State Minister of Defence & Union Minister of Defence. An assurance was also given by the concerned Ministers in several occasions.

In response to the above, the DGDE vide letter no. 744/314/L/DE/SC/2007 and PDDE letter dated 11<sup>th</sup> Feb, 2014 and directed to place the matter before the Board, for its clear recommendation with justification, regarding the purpose of land is required

- a) Fully for a Civic/Revenue generation purpose.
- b) Fully for the having colony of the Employees  
(Or)
- c) Partly for the Civic/Revenue generation purpose and partly for the  
. housing colony of the Employees.

Relevant file is placed along with a site plan.

**Resolution:** Considered and discussed the matter in detail. The CEO explained the detailed background of the case as given on the agenda side. The PCB informed the Board and the special invitees, Hon'ble MP & MLA that in response to a recent Parliament question, the HQ, SC, Pune has taken a stand that the said class 'C' land should be utilised for municipal purpose and allocation of land to employees co-operative housing society sets a wrong precedence. The CEO clarified that there are certain factually inconsistent matters that need to be addressed. In the first instance, the said land known as Hasmathpet Trenching Ground was purchased by the Secunderabad Cantonment Board out of its own funds. The said land is situated outside the limits of Secunderabad Cantonment and is not a class 'C' land as stated by the Army authorities. The question of utilising the land for municipal purpose is not applicable in this case as the land is situated in Greater Hyderabad Municipal Corporation (GHMC) limits. The proposed allotment of land is for the Employees Co-operative Society and not for individual employees. The Dte. General, DE advised the Board to take a clear decision regarding the exact proposed use i.e. whether completely for residential, partly residential and partly commercial or completely commercial.

The CEO further stated that the land is seriously prone to encroachment and there have been recorded attempts of land grabbing. The Hon'ble MP & MLA stated that employees especially Safaiwalas have been working since generations and contributed immensely for the development of the Cantonment. They further informed PCB that State Government has been allocating land to their employees and in this case also Board can consider allotment on payment as resolved earlier by the Board.

The PCB stated that in view of the stand taken by the Army authorities, the in-principle approval of GOC-in-C, SC, Pune will be obtained through PDDE, SC, Pune before considering the subject proposal.

**PROVISION OF EX-SERVICEMEN SECURITY SERVICES AT SELECTED LOCALITIES OF CANTONMENT FUND BUILDINGS IN SECUNDERABAD CANTONMENT AREA FOR THE YEAR 2014-15.**

[ 23 ] As per the sanctioned establishment of Secunderabad Cantonment Board, there are only three(3) sanctioned posts of Chowkidar/Watchmen, for Cantonment Board Main Office, Cantonment Work Shop and General Hospital, Bolarum.

However over a period of time the institutions/Civic infrastructures established and maintained by Secunderabad Cantonment Board have multiplied like Community hall, Spoorthy (A Cantonment Board School for Special Children, Rasoolpura), Cantonment Dispensaries situated at Picket, Bowenpally, Trimulgherry, Rasoolpura, Balamrai, Bolarum and Sanitary Beat Offices/Circle Offices situated at Bowenpally(Circle-I), Balamrai (Circle-II), Karkhana(Circle-III), Trimulgherry (Circle-IV) and Bolarum (Circle-V). Garbage transit points/Trenching grounds viz., Turkapally, Hasmathpet, besides Pump houses/reservoirs. Of late, it is noticed that incidents of breaking into these premises misusing the premises/ buildings at night times by miscreants has become common. Though it may not be possible for Secunderabad Cantonment to deploy Security/Chowkidars at all the premises, at present several safaiwalas are being utilized to discharge the duties of Chowkidars/Watchmen at places which are sensitive including protection of valuable Defence Land from land grabbers and encroachers, which is adversely affecting the sanitation duties.
