**REFUND OF BANK GUARANTEE AMOUNT TO THE EX-CONTRACTOR  
FOR COLLECTION OF OCTROI- 2011-12**

**Reference Circular Agenda dated 13<sup>th</sup> July 2020.**

[ 2 ] It is to mention that in the Circular agenda, due to typographical error it has been mentioned as "Refund of Security Deposit" instead of "Refund of Bank Guarantee"; the correct and updated agenda is as below.

Reference:- 1. Order of Hon'ble High Court of A.P in WP 20956/2011  
2. CBR No. 10, Dated 26.02.2014,

3. CBR No. 39, Dated 16.06.2015,
4. CBR NO. 53, Dated 16-05-2016,
5. CBR No. 15, dated 30-10-2007
6. CBR No. 29, Dated 02-01-2019 &
7. Dte, DE, SC, Pune letter no. 2166/A/XIII/DE dt. 01-10-2015.

To consider the matter/pending issue of imposing penalty and return of Bank Guarantee with reference to the contract for collection of Octroi in Secunderabad Cantonment for the year 2011-12.

The contract for collection of Octroi for the year 2011-12 was awarded to Shri. S A Jabbar. The said contract was terminated by the Board before completion of full term on the grounds of overcharging vide CBR no 53 dated 20.07.2011. The Bank Guarantee and the security deposit were retained by the Board. The Contractor approached the Hon'ble High Court in W.P 20956 of 2011 challenging the decision of the Board. The Hon'ble High Court of Andhra Pradesh had struck down the order of the Cantonment Board terminating the contract for rights of collection of Octroi in Secunderabad Cantonment as resolved vide CBR no. 53 dated 20-07-2011 and conveyed to the Contractor vide letter dated 23.07.2011 as the said order was held to suffer from violation of principles of natural justice. Subsequently the Board filed Writ Appeal No. 169 of 2012 challenging the order in the above mentioned Writ Petition wherein the Hon'ble High Court felt that it was not a fit case to interfere with the order in the writ petition *ibid*.

As per the records, an amount of Rs. 15,35,000/- was imposed as penalty on the contractor on complaints of overcharging from time to time. The Hon'ble High Court vide Writ Petition mentioned *ibid* further directed that the contractor shall be given an opportunity to submit explanation as to why penalty should not be imposed on him while notifying the petitioner of all the material appearing against him. The Board vide resolution no. 10 dated 26.02.2014 considered the matter and resolved that after withholding the amount of penalty imposed on the contractor, balance amount should be recommended for release after obtaining approval of the competent authority. It was also resolved that a Committee will be constituted to examine the issue of penalty imposed on the contractor due to alleged illegal and excess collection by giving him an opportunity as per the observations of Hon'ble High Court. Subsequently, as resolved by the Board, the matter was referred to Directorate Defence Estates for obtaining approval for releasing the amounts withheld. The office of Dte, DE, SC, Pune vide their letter dated 1<sup>st</sup> Oct, 2015 opined that the Bank Guarantee which has been forfeited should be released. The Directorate, Defence Estates, Southern Command also conveyed that the committee will complete the enquiry and submit its report on the issue of penalty and overcharging and based on this report the Board shall take a decision to refund the amount from EMD/one-third security amount. It was also opined that there is no mention of forfeiture of EMD in the CBR No. 53 dated 20.07.2011. Accordingly, the Board released the entire Security Deposit in instalments to the contractor.

In the meanwhile the Board has also resolved vide CBR no.39 dated 16<sup>th</sup> June, 2015 that the 1/3<sup>rd</sup> amount deposited as Security deposit should also be released to the contractor as and when the financial position of the Board is comfortable.

The Committee as constituted by the Board however did not submit its recommendations and as the term of the Board expired and due to subsequent elections held to the Cantonment Board, another Committee was constituted by the President Cantonment Board for submitting the report on the issue of penalty imposed on the contractors. Even this committee has not submitted their recommendations till date.

Now, the ex-contractor for collection of Octroi rights for 2011-12, Shri. S A Jabbar submitted an undertaking that he understands that the penalty of Rs. 15,35,000/- is outstanding to be recovered as per the notices issued by the CEO from time to time. He further submitted that if he receives the Bank Guarantee amount after deducting the penalty amount, he will have no claims on Cantonment Board for any amount on account of this contract.

In view of the fact that the contractor has given an undertaking that he agrees for deduction of the disputed penalty amount out of the Bank Guarantee and release of the balance amount with no future claims whatsoever, the recommendations of the committee would become infructuous with reference to pending issue of refund of Bank Guarantee of Octroi contract for the year 2011-12. If approved by the Board, the balance Bank Guarantee amount of Rs. 96,99,300/-after deducting the penalty amount in question will be released to the ex-contractor(Octroi).

The relevant file is placed on the table.

The Board may approve.

**Resolution:** Considered and approved.

At Sl. No. 42, Shri J Ramakrishna, has informed that the applicant has submitted the request for sub-division of plot at agenda no. 13(iii), it is not correct to sanction the building plan before the sanction of sub-division of plot. Shri J Maheshwar Reddy informed that both the sanctions (for Building Plan and Sub-division of plot) are placed in the same Board Meeting and sanction can be accorded if the sub-division of the subject site is approved. The PCB also opined that since the sub-division of plot is also placed in this meeting the sanction of the building plan can also be considered subject to the approval of sub-division of plot. Shri J Ramakrishna also informed that sanction for sub-division cannot be given in the subject case as the plot size as per layout is not tallying with the sale deed submitted by the applicant. He further stated that the applicant is trying to get the benefit of set back by reducing plot area. The CEO informed that according to the plot size on which construction is proposed, the setbacks shall be maintained as per the building byelaws. The CEO informed that as per layout the size of the plot is 601.20 Sq. Yds., but as per the sale deed as well as the engineer's report the extent of the land is 595 Sq. Yds. for which the applicant has submitted application for sub-division of plot which is put in Agenda No. 13(iii). Further CEO apprised the Board that the building plan sanction is only a municipal sanction which is given phase wise i.e. plinth and then final and any deviations if found after the plinth construction, the final sanction can be withhold.

Shri J Maheshwar Reddy raised certain observations about Sl. No. 12 above, which are to be placed in '0' height clearance agenda point. However, CEO clarified that the above building plans are placed in gifted category because the airport authority has given NOC to erect buildings in these location upto a certain height.

The Board resolved to approve the building applications under section 235 of the Cantonments Act, 2006 subject to condition that the plan will be released only after Rain Water Harvest Pits are made in the plots. CEO shall release the plinth sanction only as resolved under CBR No.12 dated 07<sup>th</sup> August 2013. On satisfactory completion of plinth, rest of the building plans will be cleared. With regard to Sl. No. 42 building plan is sanctioned subject to the condition that the subdivision of plot at Agenda No. 13(iii) is approved.

The sanction for erection of the building shall be available for two years from the date of issue. If building so sanctioned is not begun within the period, the sanction will lapse. The date of commencement shall be reported / intimated to the Board and completion certificate shall be obtained.

The erection as per plan shall be completed within the period of one year from the date of its commencement. The plan should be adhered to absolutely in every respect. The sanction is Municipal sanction only and is without prejudice to anyone else's right on or to the land. The date of completion shall be reported as required under section 242 of the Cantonments Act 2006.

sanction will be subject to receipt of NOC from concerned authorities. Any typographical / clerical mistake with regard to details mentioned on the agenda side may be amended by the CEO in the agenda / at the time of sanction.

**CATEGORY - UN-GIFTED**

**[ 09 ]** To consider the building notices received under section 235(1) of the Cantonments Act 2006 from the following applicants for erection of Building on Plot / Survey Numbers in colonies mentioned against each.

The building plans are in accordance with the building byelaws and FSI restrictions. The site in each case is situated outside notified civil area classified as B-2 land as per the GLR maintained by the DEO, A P Circle, Secunderabad.

The layout of these colonies was sanctioned after 1974 and the societies have not handed over 40% open area for civic and other amenities to the Cantonment Board, Secunderabad by a way of Registered Gift Deed as per the byelaws.

As per the decision of the Board in its meeting held on 04<sup>th</sup> November 1997, No Objection Certificate from Airport Authority of India has not been insisted in such cases where construction of only Ground Floor is involved.

As per the report of Engineering Branch previously Board has considered such building applications and approved the plans up to ground Floor only where the National Airports Authority issued '0' height clearance keeping in view of various High Court Orders passed periodically in (1) WP No.32468 of 2016 Dt.23.09.2016, (2) WP MP No.42782 of 2013 & (3) WP No.34370 of 2013. The matter was again discussed in the Board in detail, vide CBR No.11, Dt.31.05.2018 resolved to approve such building applications up to Ground Floor only where the NAA has given '0' height clearance.

Relevant files are placed before the board.

**Resolution:** Shri J Maheshwar Reddy, Elected Member, Ward No. 1 & Shri S Keshava Reddy, Elected Member, Ward No. 2, has raised an objection stating that these building plans of 0 height category are approved earlier by the Board

on case to case basis and these plans to be reviewed as Court Order is in only to a particular plan. The CEO apprised the Board that there are multiple court orders to consider the sanction of buildings plan in Mahendra Hills without any requirement of NOC from Airport Authority of India. The CEO also informed that there are some pending petitions of AAI in the Hon'ble Court and undertaking is taken from each and every applicant stating that the subject sanction would be cancelled subject to the outcome of the order of the Court. The CEO also informed the Board that the building plans in the same area have been considered and sanctioned in the past Board meeting irrespective of the fact whether Airport Authority of India has given NOC or not. Therefore not sanctioning the building plans in the same light would be going against the precedent set by the Board as well as discretionary in nature. The PCB opined that the subject agenda can be revisited again after thorough verification of facts as well as Court Orders. Therefore the Board resolved to defer it to the next Board Meeting.

**CONSTRUCTION OF COMMUNITY HALL AT RISALA BAZAR, BOLLARUM, SECUNDERABAD CANTONMENT.**

[ 48 ] To consider the report of Engineering Branch for construction of Community Hall at Risala Bazar, Bollaram, Secunderabad Cantonment.

As per the report, Secunderabad Cantonment Board as part of its endeavour to construct community development centres has proposed for construction of Community Hall at Risala Bazar, Bollaram and the same was sanctioned by the Board for construction of community hall consisting of Cellar, Ground and First Floor at an estimated amount of Rs.2,20,00,000/- (Rupees Two Crores Twenty Lakhs only) vide CBR No.38, Dt.16.05.2016. The work could not be taken up due to insufficient funds with the Cantonment Board. The matter was again referred to the Cantonment Board and the Board

in its meeting held on 16.05.2016 decided to execute the work as per CBR No.38, Dt.16.05.2016. During the meeting the Hon'ble MP & Hon'ble MLA who were present agreed to allot funds through MP LAD Funds and CDP Funds respectively. An amount of Rs.60,00,000/- was sanctioned from the MP & MLA local area development funds. However, with this amount only the basement work could be completed after clearing the rocks and earth on site. The construction of Ground and First floors could not be taken due to financial constraints of the Board.

Out of the total projected expenditure of Rs.2,20,00,000/- an amount of Rs.60,00,000/- was received from MP & MLA local area development funds and hence the balance amount of Rs.1,60,00,000/- is required for further construction. The Board approached the Ministry of Minority Affairs, Govt. of India under PMJVK Scheme for funds with a view that this project will greatly benefit a significant minority population in the Cantonment as well as adjoining areas of Hyderabad District.

The Secunderabad Cantonment Board vide its letters dated 29.11.2019 & 14.02.2020 requested the Ministry of Minority Affairs to consider the proposal of community hall and extend funds for this project.

The proposal was forwarded to PDDE, SC, Pune vide this office Lr.No.SCB/EB/C'Hall Risala Bazar/106, Dt.15.09.2020 for recommendation to the Empowered Committee, Ministry of Minority Affairs, Govt. of India, so as to process the case for financial assistance in the proposed subject project.

The proposal be sent for sanction of GOC-In-C, SC, Pune for its approval.

Relevant file is placed before the Board.

**Resolution:** Considered and approved. The CEO may take further necessary action as per the provisions.
