APPLICATIONS FOR SANCTION OF BUILDING PLANS

CATEGORY – GIFTED

[02] To consider the building notices received under section 235(1) of the Cantonments Act 2006 from the following applicants for erection of Building on Plot / Survey Numbers in colonies mentioned against each.

The building plans are in accordance with the building byelaws and FSI restrictions. The site in each case is situated outside notified civil area classified as B-2 land as per the GLR maintained by the DEO, AP Circle, Secunderabad.

The layout of these colonies was sanctioned after 1974 and the societies have handed over 40% open area for civic and other amenities to the Cantonment Board, Secunderabad by a way of Registered Gift Deed as per the bye-laws.

As per the decision of the Board in its meeting held on 04th November 1997, No Objection Certificate from Airport Authority of India has not been insisted in such cases where construction of only Ground Floor is involved.

The Board resolved to approve the building applications under section 235 of the Cantonments Act, 2006 subject to condition that the plan will be released only after Rain Water Harvest Pits are made in the plots. CEO shall release the plinth sanction only as resolved under CBR No.12 dated 07th August 2013. On satisfactory completion of plinth, rest of the building plans will be cleared.

The sanction for erection of the building shall be available for two years from the date of issue. If building so sanctioned is not begun within the period, the sanction will lapse. The date of commencement shall be reported / intimated to the Board and completion certificate shall be obtained.

The erection as per plan shall be completed within the period of one year from the date of its commencement. The plan should be adhered to absolutely in every respect. The sanction is Municipal sanction only and is without prejudice to anyone else's right on or to the land. The date of completion shall be reported as required under section 242 of the Cantonments Act 2006. The sanction will be subject to receipt of NOC from concerned authorities. Any typographical / clerical mistake with regard to details mentioned on the agenda side may be amended by the CEO in the agenda / at the time of sanction.

Shri J. Ramakrishna, Civilian Nominated Member, has raised an observation in connection with building applications at Sl.No.35, 36, 37 & 38 on the agenda side stating that the said plans are situated in Dodhi Village layout and the subject layout alignment is not according to the sanctioned layout and a drain adjacent to the said layout has been encroached. The CEO has apprised the Board that the layout has been sanctioned after obtaining NOC from DEO land point of view and 40% of land has been gifted to the SCB and no such observation as raised by the member has come to the notice. The building plans are sanctioned and the PCB directed the CEO to again verify the layout alignment as well as any encroachment on the drain.

CATEGORY – UNGIFTED

[03] To consider the building notices received under section 235(1) of the Cantonments Act 2006 from the following applicants for erection of Building on Plot / Survey Numbers in colonies mentioned against each.

The building plans are in accordance with the building byelaws and FSI restrictions. The site in each case is situated outside notified civil area classified as B-2 land as per the GLR maintained by the DEO, A P Circle, Secunderabad.

The layout of these colonies was sanctioned after 1974 and the societies have not handed over 40% open area for civic and other amenities to the Cantonment Board, Secunderabad by a way of Registered Gift Deed as per the byelaws.

As per the decision of the Board in its meeting held on 04th November 1997, No Objection Certificate from Airport Authority of India has not been insisted in such cases where construction of only Ground Floor is involved.

The Board resolved to approve the building applications under section 235 of the Cantonments Act, 2006 subject to condition that the plan will be released only after Rain Water Harvest Pits are made in the plots. CEO shall release the plinth sanction only as resolved under CBR No.12 dated 07th August 2013. On satisfactory completion of plinth, rest of the building plans will be cleared.

The sanction for erection of the building shall be available for two years from the date of issue. If building so sanctioned is not begun within the period, the sanction will lapse. The date of commencement shall be reported / intimated to the Board and completion certificate shall be obtained.

The erection as per plan shall be completed within the period of one year from the date of its commencement. The plan should be adhered to absolutely in every respect. The sanction is Municipal sanction only and is without prejudice to anyone else's right on or to the land. The date of completion shall be reported as required under section 242 of the Cantonments Act 2006. The sanction will be subject to receipt of NOC from concerned authorities. Any typographical / clerical mistake with regard to details mentioned on the agenda side may be amended by the CEO in the agenda / at the time of sanction.

Shri J. Ramakrishna, Civilian Nominated Member has raised observation whether the building application at **Sl.No.4** is located in B2 private land, wherein, ingress and egress for the building is through A1 land. He further informed that the staff of the Board are not allowed for any inspection of the said location. Further, he also raised the issue of storm water drain let out through the building premises to the neighbouring areas. The CEO informed that the building site is B2 private land and also apprised the Board that the issue raised by the Member in regard to Storm water drain has already been considered and two times of normal development charges shall be collected from the applicant. The CEO further informed that the staff and men of Secunderabad Cantonment Board be allowed in to the premises for carrying out any lawful action.

The PCB also informed that the said Padam Singh Farm is purely for the serving and retired Army personnel. The Board has sanctioned the building plan and an amount of Rs.31,00,000/- (Rupees Thirty One lakhs only) is sanctioned for the construction of storm water drain and any additional amount apart from the development charges collected from the applicant shall be borne by the Board for the construction of the drain.

The staff of the Board may inspect at suitable time and no restrictions are imposed.

As per the report of Engineering Branch previously Board has considered such building applications and approved the plans up to ground Floor only where the National Airports Authority issued '0' height clearance keeping in view of various High Court Orders passed periodically in (1) WP No.32468 of 2016 Dt.23.09.2016, (2) WP MP No.42782 of 2013 & (3) WP No.34370 of 2013. The matter was again discussed in the Board in detail, vide CBR No.11, Dt.31.05.2018 resolved to approve such building applications up to Ground Floor only where the NAA has given '0' height clearance.

The relevant files are placed before the board.

Resolution: The CEO apprised the Board that '0' height building applications in Mahendra Hills are governed vide CBR No. 16 dated 02.01.2019, CBR No. 28 dated 09.08.2019, CBR No. 17 dated 21.03.2020, CBR No. 10 dated 19.10.2020, CBR No. 11 dated 30.01.2021.

The Board resolved that the following conditions are set for '0' height building applications in Mahendra Hills where AAI has given nill height relaxation.

- i. The plinth level of the plot shall be fixed by the applicant himself by giving a declaration in writing defining the corresponding site elevation of the subject site for fixing the plinth and the plinth level shall be proposed as per the nearest approach road. The plinth level be as close as possible to the adjoining approach road level and to this effect a certificate of technical justification from the licensed structural engineer be obtained from the applicant as to why the plinth level is not at the level of the adjoining approach road. The construction of ground floor be allowed upto 4.5 m or 15 feet from the plinth level to include all structures like parapet wall, water tank and temporary structures too.
- ii. The applicant is required to submit a site elevation certificate even in the case of '0' height clearance showing the longitude and latitudes of all four corners of the proposed site.
- iii. As per the basic civil engineering principle in fixing the plinth level it is to ensure that a balanced depth of excavation be fixed so as to minimise the quantity of earth filling / carting of excavated material which results in cost effectiveness.
- iv. Not more than one cellar or basement is permitted and such cellar or basement be used only for parking purpose.

The Board resolved to approve the following building applications as per the conditions set above.

Sl.No.2 & 3 of the above building applications plot sub-division approved at item No.1 of this agenda in Sub-division of plot category.

Further, Shri J. Ramakrishna, Civilian Nominated Member has informed that at present, the building constructions in few colonies of Mahendra Hills are permitted only upto ground floor. Whereas, he has requested for permission for construction of one more floor. However, the Aircraft Act has made provisions that the height of any residential building may be considered upto the highest structure already existing in the location.

Further, he also informed that the nearby colonies at Mahendra Hills which falls under GHMC, are obtaining permission for building constructions upto 5 floors also. The CEO informed that the matter has already being taken up with the AAI and decision in this regard shall be taken after obtaining clarity from AAI.

**EXTENSION OF ANNUAL CONTRACT FOR PROVIDING LABOURS
(CONSERVANCY SAFAIWALAS) FOR SWEEPING AND DE-SILTING OF OPEN
DRAINS AND REMOVAL OF NOXIOUS RANK VEGETATION IN MILITARY AREA
WITHIN THE LIMITS OF SECUNDERABAD CANTONMENT BOARD**

[10] To consider the report of the Health department in matter of “Extension of Annual contract for “providing labours (conservancy safaiwalas) for sweeping and De-silting of open drains and removal of noxious rank vegetation in military area within the limits of Secunderabad Cantonment Board”

As per the said report, the subject contract for the year 2020-21 will expire on 31st December, 2021. The number of personnel outsourced through this contract is 399. However in the new military conservancy agreement for the period 2022-23, the total number of personnel has increased to 1140, as new area has been added and conservancy agreement for Golconda Military Station has also been included afresh with effect from 01-04-2022. The tenders are to be invited, as the military conservancy draft agreement has been finalized as per the discussions with HQ TASA authorities.

Due to increase in strength of personnel fresh tenders are to be called for the period from 01-04-2022. The Board may consider to continue the existing tender by extending up to 31-03-2022, at the same rates and terms and conditions.

The relevant files are placed before the Board.

Resolution: Considered and approved for extension of contract up to 31th March 2022.

Shri J. Ramakrishna, Civilian Nominated Member has suggested the Board to consider the transfer of Military Conservancy Staff to Civil Conservancy and vice versa in order to make all the conservancy staff to work professionally.

Thereafter multiple transfers of the lease properties to various individuals through registered Sale Deeds/Gift Settlement Deeds have been executed in the said property. As per the site inspection report the present lease site is sub-divided into three individual houses i.e. (1.RCC building consisting of GF, FF & SF, 2.Ground floor with ACC sheet roof, 3. Ground floor with Acc sheet roof) all the three occupants have also encroached the class ‘C’ road land adjacent to the property to an extent of 185.00 Sq.ft in GLR.Sy.No. 574-211 of Cavalry pension Line bazar, Secunderabad Cantonment which are not compoundable due to encroachment and un-authorized construction. No lease rent is received.

A per the circumstances mentioned above the occupants have violated the terms and conditions of lease deed of Schedule VIII of CLAR 1937. No proper link documents have been submitted by the present occupants. Hence the Board may consider recommending for determination of lease to the competent authority.

Resolution: Considered the matter in detail to approve the mutation in respect of the cases mentioned on the agenda side, subject to condition that all requisite formalities are complied with by the applicants and the issue of condonation for breach of any condition, if any, will be processed by the CEO as per the rules. The CEO may take further necessary action after examination of all documents and taking clarification from the applicant wherever necessary. The Board considered and resolved to send the proposals for renewal of above leased sites condoning the delay.

RE CLASSIFICATION OF LAND - GLR SY. NO.482, SECUNDERABAD CANTONMENT FROM B4 TO CLASS 'C'

[23] To consider the request letter submitted by Picket Residents Welfare Society for development of public park at the vacant B4 Defence land at GLR Sy. No. 482, Secunderabad Cantonment. The land is classified as B4 land, and under the management of Defence Estates Officer, Telangana & AP Circle, Secunderabad.

Note: The PDDE, SC, Pune, letter No. 16719/DE/SC/L/MISC/SBD/IV, dated 10.01.2017 has instructed the Cantonment Board to take up the matter in the Board for developing the park and other related assets. The DEO, T & AP Circle vide their letter dated 29.04.2017 addressed to CEO have stated that the GLR Sy. No.482 comprising 3.18 Acres is classified as B4 land. The merits of developing public park may be deliberated upon by the Cantonment Board, and if found necessary action for re-classification of said B4 land to Class C be taken up by the Secunderabad Cantonment Board.

The relevant file is placed before the Board.

Resolution: The matter has been considered and recommended for reclassification of land from B4 to C. The CEO may take further necessary action as per the provisions.

The Hon'ble MLA Secunderabad Cantonment Assembly Constituency, Shri G Sayanna, enquired about the receipt of funds to Hospital from the Central Govt. Further he informed that Rs.10,00,000/- has been released as part of MLA Constituency Development Funds for procuring Medical lab equipments to Cantonment General Hospital at Bollarum.

Shri J. Ramakrishna, Civilian Nominated Member has informed that the proposal for releasing certain funds/man power assistance is under consideration from Central Government. He also informed that the benefits from the State Government such as TPT and other pending grants are not being released to Cantonment Board which is causing severe financial crunch to the Board. A legal action against the State Government for non-releasing of such funds may be initiated. The CEO apprised the Board that a meeting in this regard will be taken up with the State Government.

Further, with the permission of the chair, the following supplementary agenda points were discussed in the Board.

EXCLUSION OF CERTAIN AREAS OF A BUILDING FROM CALCULATION OF FSI

Ref: CBR No.16 dated 05.12.2013

[26] To consider and approve the proposal for exclusion of certain areas like cellar/stilt/basement earmarked for parking, staircases, corridors, ducts, balconies, lift room, overhead water tank area, generator room, watchman room, etc. of a building from calculation of FSI, while approving the Building Plan in Secunderabad Cantonment. As per the Orders of the Government of India, Ministry of Defence, vide its Order No.10(27)/2000-B (Q&C) dated 02.04.2003, the permissible FSI is 1.5 for construction of a building in private colonies and Bazaar areas of Secunderabad Cantonment. In the said Order, there is no mention as to which type of structures/areas to be incorporated for calculation of FSI while measuring the built up area.

Regarding inclusion of common areas for calculation of FSI, there is no specific provision in Building Bylaws of Secunderabad Cantonment Board 1935, wherein Clause-50 stipulates that with the prior permission of the Board, a person can construct cellar/vault or underground room, either under or as part of the building or otherwise.

The earliest reference about imposition of FSI in Secunderabad Cantonment Board was by an Order dated 23.07.1984 issued by the General Officer Commanding-In-Chief, Pune, the FSI for civil areas is 1.0 and on the remaining areas, the FSI is 0.5. In the said Order also, there is no mention as to what are the areas of a building either to be included or excluded from the purview of FSI while calculating built up area of a building. Under this Order, the parking areas, open balconies and staircases of a building were excluded from the calculation of FSI, till 1999.

Later on, the Principal Director, Defence Estates, Pune, vide Letter dated 16.01.2003, gave certain guidelines for sanction of Building Application. In Point No.(c) of this letter, it was stipulated that, the stilts/basements, if proposed, shall be included in FSI calculation unless specifically relaxed by the GOC-In-Chief. Pursuant to this letter, the Board while according sanction to Building Plans, has included the cellar/stilt within the purview of FSI. This resulted in large scale violations in building constructions and also led to the parking congestion, as the individuals are not inclined to provide parking spaces since the same form part of FSI calculations.

Thereafter, the Government of India, Ministry of Defence, vide Order dated 02.04.2003, as detailed above, has reviewed the FSI in Secunderabad Cantonment area and FSI has been increased to 1.5 in all private colonies and bazaar areas, and this Order was passed pursuant to a direction given by the then Hon'ble High Court of AP, in a Writ Petition No.23756/2003 dated 20.09.2002. In this Order, it was clarified that, this Order supersedes all other directions or instructions issued in this regard. However, in the said Order, there is no mention as to what type of structure/areas which are to be included or excluded from the purview of FSI while measuring the built up area.

Subsequent to this Order, the Principal Director, Defence Estates, Pune, vide letter dated 22.07.2004 addressed to the Director General, Defence Estates, Ministry of Defence, New Delhi, in response to their letter dated 06.07.2004, wherein it was clarified that, regarding construction of ground plus one floor in outside notified civil area and ground plus two floors in notified civil area is concerned, the instructions issued by the GOC-In-Chief vide its Order dated 17.03.1999 or any other local order contrary to Government Order dated 02.04.2003 will not be applicable, as already advised by the DGDE vide their Letter No.PC to 70/150/S'bad/C/DE/97(II) dated 06.07.2004, the CEO was advised to process the Building Applications in accordance with the advice given. In the said letter, regarding suggestion that the parking areas, stair case, lift area, corridors and balconies should not be included in FSI, the observation of the Principal Director, Defence Estates, Pune, is that, ***“there is a merit in the point made, the Board should follow the norms applicable in the adjoining Municipal Corporations for exemption of certain areas in calculation of FSI, this should be incorporated in building bylaws and submit to the Government for consideration, as FSI order is silent about this aspect”***.

It is pertinent to mention here that, in the neighbouring Greater Hyderabad Municipal Corporation, even though the concept of FSI is not being followed, the height of parking floors are exempted from the permissible heights, which allows ample parking space for a building and the same is not form part of calculation of built up area.

It is also a fact that, in Pune Cantonment Board as well as Delhi Cantonment Board, the parking areas and other common areas as mentioned above are exempted from the calculation of FSI.

Under the aforesaid reasons, to get a clarification on these aspects, the Board in its Meeting vide CBR No.16 dated 05.12.2013 approved the proposal for relaxation/exclusion of certain areas as detailed above from calculation of FSI while approving the Building Plan and the same was forwarded to the GOC-In-Chief, Headquarters, Southern Command, through PDDE, for approval and the same is pending since then.

While the matter stood thus, Gummadi Janaki Reddy and G. Keerthi Reddy have filed a Writ Petition in W.P. No.22097 of 2021 before the Hon'ble High Court of Telangana, praying the Hon'ble Court to direct the Union of India, Ministry of Defence, General Officer Commanding-In-Chief, Southern Command, Pune, the Director General, Defence Estates, New Delhi, and the Principal Director, Defence Estates, Pune, who are shown as Respondents No.1 to 4, to take action on the Resolution of Secunderabad Cantonment Board (Respondent No.5) passed vide CBR No.16 dated 05.12.2013 for relaxation of stilt/basement and staircases in calculation of FSI, as was done in Delhi Cantonment and Pune Cantonment, etc.

Subsequent to filing the above said Writ Petition, the President, Cantonment Board, addressed a letter to Headquarters, Southern Command, Pune, vide Letter No.3873/1/CC/Cantt. Bd/Q/3L dated 15.12.2021, by marking a copy to the Chief Executive Officer, Secunderabad Cantonment Board. The said letter contains the perusal of all previous correspondence in this regard, also the Orders passed by Ministry of Defence dated 02.04.2003 as well as the Building Bylaws and FSI

Norms of Secunderabad Cantonment Board, wherein it was opined that MOD vide their letter, Government of India, MOD No.10(27)/2000-D(Q&C) dated 02.04.2003 clarified that no local order should be imposed and even in July 2004, PDDE, HQ SC, Pune, vide their Letter No.783/SCD/IN/DE dated 22.07.2004 has also conveyed that local orders will not be enforced. In the above said letter, it was further clarified that, the Building Bylaws of Pune Cantonment will not include areas like stilt, parking, staircases, etc. in FSI norms and is therefore only logical that since the Secunderabad Cantonment Bylaws do not specify inclusion of these areas in FSI, the need for sanction or waiver, therefore, does not arise. Ipso facto, therefore, the Cantonments under same Command have similar Byelaws, otherwise it will be discriminatory for the residents of Cantonments within the Command Theatre and it was further stated that, necessary action would be taken in the next Board Meeting to rectify the issue by means of a Resolution and such Resolution will have an advantage of fulfilling the legitimate aspirations of the residents of Secunderabad Cantonment and also reduce the cases of violation of FSI by huge in number by accepting compounding fee, or allow for compliance with minor modifications to the existing buildings presently under notice for violation based on previous interpretation.

The relevant file is placed on table.

Resolution: Considered and approved. The CEO apprised the Board need for exclusion of common areas as mentioned on the agenda side for calculation of FSI, as this move will reduce the unauthorized constructions in Cantonment area and also reduce the litigations in connection with illegal constructions.

Further, Shri J. Ramakrishna, Civilian Nominated Member has appreciated the efforts of PCB and CEO for taking up the matter to the Board which benefits the citizens of the Secunderabad Cantonment and welcomed the move. Hon'ble MLA, Shri G. Sayanna also welcomed this agenda and informed that the general public who have been suffering for a long time will be benefited with the positive decision.

Further, in the light of the factual aspects, as detailed in the agenda, the matter is discussed at length and resolved that, the Building Bylaws of the Secunderabad Cantonment Board do not specify that cellar, stilt, staircases, lift rooms, etc. are to be included in the FSI calculations. Such inclusion arose primarily due to the letter from the PDDE, SC, which mentions that stilts and basements shall be included in the FSI calculations unless specifically relaxed by the GOC-In-Chief, Southern Command, Pune. This was conveyed vide Director DE, Southern Command, Pune, Letter No.304/Bungalow Area/Open Plots/DE dated 16.01.2003. However, MOD vide their Letter, Government of India MOD No.10(27)/2000-D(Q&C) dated 02.04.2003 clarified that, this Order supersedes all other directions, instructions issued in this regard. Such direction was further confirmed by PDDE letter dated 22.07.2004 and conveyed that, any other local order contrary to Government Order dated 02.04.2003 will now not be applicable. The calculation of stilts, parking, staircases, etc. in FSI will be discriminatory for the citizens of Secunderabad Cantonment Board, since other Cantonments like Pune do not include areas like stilts, parking, staircases, etc. in FSI norms. Further, since the Secunderabad Cantonment Board Building Bylaws do not specify inclusion of these areas in the FSI, the necessity of seeking waiver is rendered superfluous as putting the onus sanction on the GOC-in-C would be grossly wrong, since the error resulted as a matter of incorrect interpretation.

Therefore, it is unanimously resolved that, the areas like parking, staircases, corridors, ducts, balconies, lift room, overhead water tank area, generator room, watchman room, etc. of a building are exempted from the purview of FSI to resolve the longstanding aspirations of the residents of the Secunderabad Cantonment and also to reduce cases of violations of FSI in huge number by accepting compounding fee or allow for compliance with minor modifications with existing building presently under notice for violation based on previous interpretation.

In view of this Resolution taken in the Board unanimously, the earlier proposal of the Board vide CBR No.16 dated 05.12.2013 stands withdrawn.

NUISANCE / DISTURBANCE TO THE PUBLIC PEACE DUE TO NOISE POLLUTION

[27] As there is an increasing demand from the residents to restrict the usage as well as volume of mega phones, loud speakers, public address system, bursting of crackers, etc. so that the Noise emitting from various activities would not disturb the public peace especially during the night time.

The ambient air quality standards, in respect of Noise as per the Government of India is as follows:

Area code	Category of Area / Zone	Limits in dB(A) Leq*	
		Day time	Night time
(A)	Industrial area	75	70
(B)	Commercial area	65	55
(C)	Residential area	55	45
(D)	Silence Zone	50	40

- Note:
1. Day time shall mean from 6.00 a.m. to 10.00 p.m.
 2. Night time shall mean from 10.00 p.m. to 6.00 am.
 3. Silence Zone is defined as an area comprising not less than 100 meters around hospital, educational institutions and courts. The silence zones are zones, which are declared as such by the competent authority.
 4. Mixed categories of areas may be declared as one of the four above mentioned categories by the competent authority.

A commercial space / public space has to restrict the volume of public address system, loud speakers etc. so that the Noise emitting from these activity would not exceed by not more than 10 dB(A) of the standard prescribed above.

Similarly, the Noise from the private space would not exceed by not more than 5 dB(A) of the standard prescribe above.

The Board may decide.

Resolution: Considered and approved. The Board resolved that a penalty of Rs.10,000/- will be levied for the first time violation and Rs. 25,000/- for the second time violation and cancellation of trade license and confiscation of sound equipment and all accessories including power systems for a period of seven days for third violation.

Shri J. Ramakrishna, Civilian Nominated Member has informed that a procedure may be laid down in regulating the noise pollution. He informed that the owner of the premises may be penalised and trade license be issued for the function halls.

The Hon'ble MLA informed that presently Police Department is strictly regulating the same for gatherings or functions after 10 PM. The PCB appraised that there are numerous complaints from residents regard to violation wherein the police could not enforce strictly to control noise pollution from the function halls/ marriage halls. The CEO apprised the Board about the need for such regulations and further informed that the Board has certain regulatory powers in Cantonments Act, 2006. The team to monitor check and impose these will be suitably equipped and kitted with hand cameras and other gadgets.

Further, the PCB informed that the day time be considered from 7 AM.

**INCREASE OF TENDER VALUE OF MAINTENANCE WORKS IN
SECUNDERABAD CANTONMENT AREA.**

Reference 1) Additional Agenda point No. 10 in Cantonment Board meeting dated 30.01.2021 and 2) Additional Agenda point No.01 in Cantonment Board Meeting dated 09.02.2021.

[28] To consider the report of Engineering Branch, in connection with increase of Tender Value of Maintenance Works in Secunderabad Cantonment Area. As per their report, this office has carried out public works in the below mentioned categories for the contract value as mentioned below:-

Sl. No.	Name of the Work/Tender	Tender Value	Value of Work Orders Issued
01.	M & R to Main Roads (2018-2019) (CBR No. 11 dated 02.01.2019, DOA 28.02.2019).	Rs. 4,26,23,180/-	Rs. 6,85,53,060/-
02.	M & R to Internal Roads (2018-2019) (CBR No. 10 dated 02.01.2019, DOA 26.02.2019).	Rs. 4,40,23,435/-	Rs. 6,73,56,000/-
03.	Laying of Cement Concrete Roads (CBR No. 22 dated 19.10.2020, DOA 11.12.2020).	Rs. 3,62,85,958/-	Rs. 4,72,88,000/-
04.	M & R to Underground Drains (CBR No. 27 dated 30.01.2021, DOA 05.02.2021).	Rs. 4,52,29,400/-	Rs. 5,56,78,668/-
05.	Term Contract of Misc. Improvement Works (CBR No. 23 dated 19.10.2020, DOA 11.12.2020)	Rs. 3,00,00,000/-	Rs. 4,22,08,750/-

Previously the tender value of Main Roads and Internal Roads has been increased by the Board upto 50% of tender value vide the reference no. 2 cited above. However, due to the pandemic situation in 2019-2020 and 2020-2021 this

office was not able to call for fresh tenders. Further due to the unexpected floods in October, 2020 the roads were severely damaged and immediate relaying works have been taken up. The visit of Standing Committee on Defence in August, 2021 has necessitated in carrying out certain emergency works which resulted in increase of Main Road Tender Value upto 60.83% and increase of Internal Road Tender Value upto 53.00%.

The tender value of Cement Concrete Road Works is increased by 30.32% because of emergency work (laying of CC Road at Ram Nagar, Picket, Ward No. IV) that has been taken up based on the complaint forwarded by the PDDE, SC, Pune. Further, a deposit CC work of DMDE is also carried out in the same tender due to the emergency nature of work.

The work orders were placed to the contractor for execution of Underground drain works at various locations for 23.10% above the tender value. These work orders were placed keeping in view of the urgent requirement due to ongoing pandemic and also to prevent contagious diseases. There is sudden requirement of execution of works because of flood havoc created during October, 2020. The Civic infrastructure related to sewage system has been extensively damaged and caused urgent necessity to take up restoration/reconstruction of drainage system. Hence the works have been taken up for execution with the existing contractor.

The work orders were placed to the contractor for execution of Misc. Improvement works at various locations for 40.69% above the tender value. These work orders were placed keeping in view of the urgent requirement of converting Cantonment General Hospital, Bollaram to COVID dedicated hospital, and certain emergency works were taken up keeping in view of the ongoing COVID pandemic situation and funds from MP LADs and MLA CDPs were required to be taken up through the Misc. Works tender and therefore the total value of amount of work orders placed were increased to 40.69%.

The relevant file is placed before the Board.

Resolution: Considered and approved.
